

Wells Fargo Advisors Insured Depository Institutions – Market Linked Certificates of Deposit and Brokered Certificates of Deposit

Insured Depository Institutions for Market Linked CDs and Brokered CDs

Participating Insured Depository Institutions are subject to change.

The FDIC standard maximum deposit insurance amount per depositor per insured depository institution for each account ownership category is \$250,000. At Wells Fargo Advisors we offer an Expanded Bank Deposit Sweep and a Standard Bank Deposit Sweep. The Expanded Bank Deposit Sweep is the primary Cash Sweep Vehicle for eligible new accounts consists of interest-bearing deposit accounts at affiliated (wholly-owned subsidiaries of Wells Fargo & Company), and unaffiliated (banks not affiliated with Wells Fargo) banks. Resource accounts and retirement accounts in our discretionary advisory programs are not eligible for the Expanded Bank Deposit Sweep. The Expanded Bank Deposit Sweep will provide up to \$1.25 million in FDIC insurance (\$2.5 million for joint accounts with two or more owners).

The Standard Bank Deposit Sweep is available for clients who elect to exclude the unaffiliated Program Banks from the Expanded Bank Deposit Sweep. The Standard Bank Deposit Sweep consists of interest-bearing deposit accounts at two banks affiliated with Wells Fargo Advisors. The Standard Bank Deposit Sweep will provide up to \$500,000 in FDIC insurance (\$1 million for joint accounts with two or more owners).

Balances on deposit in the Bank Deposit Sweep Programs, together with any other of your deposits held directly at the unaffiliated banks, are insured by the FDIC, an independent agency of the U.S. government, up to a maximum amount in accordance with the rules of the FDIC. Deposits (including principal and interest) at each of the unaffiliated banks are eligible for federal deposit insurance up to \$250,000. Different ownership categories of accounts are separately insured.

Wells Fargo Advisors is not an FDIC-insured depository institution; FDIC deposit insurance only protects against the failure of an insured depository institution. Banking products and services provided by Wells Fargo Bank, N.A. Member FDIC.

Wells Fargo Advisors is a trade name used by Wells Fargo Clearing Services, LLC and Wells Fargo Advisors Financial Network, LLC, Members SIPC, separate registered broker-dealers and non-bank affiliates of Wells Fargo & Company. PM-04232026-7219566.1.1
